

# BRADFORD CATHEDRAL

**Design a Cathedral Poster**

**Education Department**

This is our Cathedral poster.

---

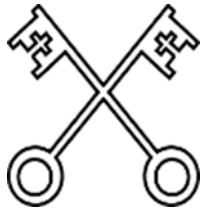

## Why not visit Bradford Cathedral?

Come and find out more about the bell tower and the history of this amazing building!

---

We would really like a new poster to tell people about this wonderful place and encourage them to visit us here.

**Are you able to help by designing a poster?**

Our new poster needs to be bright and colourful and to tell people about what they will see when they visit the Cathedral Church of Saint Peter.

Remember to make sure that your poster:

- has a clear title
- shows something that a visitor will see in the Cathedral
- is brightly coloured
- has a slogan or message that will make people want to come and visit us at the Cathedral.

We can't wait to see your finished poster.

Thank you!
