For those travelling by **car**, you can get to the Cathedral grounds by following the signs for the Cathedral when travelling on the A650 Shipley / Airedale Road. We have limited parking on site, and this usually has to be booked in advance with us. We recommend parking at the Broadway Bradford shopping centre, which can be accessed off Leeds Road, but there are alternative car parks in the area. For more information on availability and prices, please search online or visit a site such as [www.parkopedia.com](http://www.parkopedia.com)

To find Bradford Cathedral from the Broadway Bradford, use the lifts of stairs to get onto the ground floor and head towards Marks and Spencer. From there, leave by the doors and you should see a statue in front of you. From here, either enter via the State Gate entrance straight ahead and to your left, or head up Church Bank to the right to find the other entrances.

For those travelling by **bike**, we have a limited number of lockable cycle racks, located by the North Door.

We also have a dedicated drop-off point and parking space for **minibuses and coaches**. For more information please speak to us.

## Arriving on Site

There are three entrances to Bradford Cathedral:

- The State Gate – this is located opposite Marks and Spencer at the Broadway Bradford
- Church Bank – this is located about 1/3 of the way up Church Bank
- Stott Hill – this is located on Stott Hill, opposite Cathedral Halls, and there is both a pedestrian entrance and a car entrance. This is an accessible step-free entrance\*

*\*Bradford Cathedral is an ancient site, and whilst many areas are accessible, certain areas are uneven. If you need any support when visiting the Cathedral, please speak to a member of the team.*

Not all entrances are open all the time. You will be advised when booking about the best entrance to use, or where to meet, but if you have any issues getting into the Cathedral please call 01274 77 77 20 or use the buzzer by the Stott Hill gate – pressing the ‘Cathedral Office’ button.

The de Lacy Centre is located opposite the East End of the Cathedral.

## Frequently asked questions

### **Where can I find the toilets?**

There are two toilets within the de Lacy Centre – one opposite the door to the kitchen and one at the other end of the room.

### **What do I need to do in a medical emergency?**

Please see a member of the team who will be happy to help. A first aid kit is located opposite the Cathedral office, at the tower end, where you will also find a defibrillator.

### **How do I connect to the wi-fi?**

We offer free wi-fi to those in the Cathedral. Please connect to 'Bradford Cathedral Guest', using the password 'BC102018'.

### **How do I operate the curtains?**

There is a panel just as you enter the main room, on the wall with the cupboard. This operates the electric curtains at either end of the room. The top and bottom buttons set them opening and closing and the middle button stops them.

The two sets of curtains on the back wall are manually operated using the pulleys on the right-hand side.

### **Where can I eat in the area?**

The Rooftop Café is located opposite the West End of the Cathedral; please see their website for their opening times. There are also a range of restaurants in and around the Broadway Bradford, as well as in the city centre of Bradford, all within a ten-minute walk of the Cathedral.
