

BRADFORD
CATHEDRAL

Become a *Patron*

Bradford Cathedral stands on a site that has been a place of Christian worship for over a thousand years. Today, we welcome people of all faiths and none, every day of the year. They come to worship and pray, to find space for quiet reflection, and to enjoy the beauty and history of our wonderful building. Others come to experience our thriving music, education, and arts & events programmes. We also support some of the most disadvantaged people in our diverse community, working with children and young people from deprived neighbourhoods, and providing a refuge for other vulnerable groups.

How Patrons help

By becoming a Patron, you can play a vital part in our future, helping to ensure that we continue to be a special place of welcome and hope in our city. As a Patron, making a regular gift to the Cathedral, you will be supporting many important areas of our work.

Conservation – helping to maintain and protect our ancient building and its surroundings, and to minimise our impact on the environment.

Education – helping to inspire children and young people from across our communities, providing opportunities for them to discover and be inspired by the Cathedral.

Music & the Arts – helping to ensure that choral music continues to thrive at the Cathedral, and that we can offer opportunities to people from all backgrounds, to discover and be enriched by our music and arts programmes.

It costs over £2,000 a day to maintain the wonderful building that is Bradford Cathedral, to run our music, education and arts programmes, and continue to be open every day as a place of welcome to all. **Why not help us to continue our work by becoming a Patron of Bradford Cathedral today?**
