Please check with us if you are unsure.**

For those travelling by **bike**, we have a limited number of lockable cycle racks, located down the steps by the North Door.

We also have a dedicated drop-off point and parking space for **minibuses and coaches**. For more information, please speak to us.

Arriving on Site

There are three entrances to Bradford Cathedral:

- The State Gate – this is located opposite Marks and Spencer at the Broadway Bradford
- Church Bank – this is located about 1/3 of the way up Church Bank
- Stott Hill – this is located on Stott Hill, opposite Cathedral Halls, and there is both a pedestrian entrance and a car entrance. This is an accessible step-free entrance*

Frequently asked questions

What furniture is included in the room?

There are typically four tables and 36 chairs, which can be laid out in a variety of formats depending on your requirements (please see the booking form). There is also a 70" plasma screen with a HDMI input; you can also cast to it from some phones / tablets.

Where can I find the toilets?

There are two toilets within the de Lacy Centre – one opposite the door to the kitchen and one at the other end of the room.

What do I need to do in a medical emergency?

Please see a member of the team who will be happy to help. There is a first aid kit in the kitchen, and there is a list of current first aiders with contact numbers by the phone. An additional first aid kit is located opposite the Cathedral office, at the tower end, where you will also find a defibrillator.

You can also make contact with a member of staff using the telephone located in the corner of the room; there is a list of names on the menu in the bottom right-hand corner.

How do I connect to the wi-fi?

We offer free wi-fi to those in the Cathedral. Please connect to 'Bradford Cathedral Guest', using the password 'bc102018'.

How do I operate the curtains?

There is a panel just as you enter the main room, on the wall with the cupboard. This operates the electric curtains at either end of the room. The top and bottom buttons set them opening and closing and the middle button stops them.

The two sets of curtains on the back wall are manually operated using the pulleys on the right-hand side.

There is a café located on Church Bank. There are also a range of restaurants in and around the Broadway Bradford, as well as in the city centre of Bradford, all within a ten-minute walk of the Cathedral.
