### Collect for Harvest Thanksgiving

Eternal God, you crown the year with your goodness and you give us the fruits of the earth in their season: grant that we may use them to your glory, for the relief of those in need and for our own well-being; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen.

The Revd Duncan Milwain is ministering in Outlane and Stainland today.

## NOTICES

**HARVEST FESTIVAL** This Sunday is our Harvest Festival and this year it will have an international tone to it as we hear about and celebrate some different customs from other parts of the world. All are invited to bring 'fruits of their harvest' whatever that means for you. It might be food you buy from a supermarket, it might be fresh fruit you have grown, it might be a financial gift. At the 10:30am Choral Eucharist, after the Peace, we will be invited to process our gifts to the front of the Cathedral and symbolically give them to God as part of our worship. All donations will go to Inn Churches, a mission partner of ours. You can find out about their wonderful work by visiting, <https://innchurches.co.uk>

**JOIN US** Whether you've been coming for some time or you are new with us today, if you would like to explore becoming part of our community then please complete a welcome card that are available at the back of the Cathedral.

**GET INVOLVED** We are looking for people to serve in several ministries across our community, including with our children and to operate the livestream during our 10:30am Sunday Service. Please speak to a member of the clergy team or to one of our stewards if you want to know more.

**WHAT'S ON BOOKLET** The What's On booklet for September – December 2024 is available to pick up at the Cathedral or around the city. You can also view / download a copy at <https://bradfordcathedral.org.uk/featured-events>

**SERVICES AND MUSIC LIST** The September-December 2024 edition is now available online via <https://bradfordcathedral.org.uk/services-and-music-list>

**CATHEDRAL TIMELINE** Please take the time to have a look at the Cathedral timeline display that has recently been installed along the western terrace. It charts the history of the Cathedral, right from the arrival of the first Christians in the 7th century to the present day, and includes lots of fascinating historical information and interesting photographs. Our Director of Education, Maggie Myers, has developed the timeline with support from our Events & Marketing Officer, Phil Lickley. The display has been made possible as a result of the building works currently taking place at Kala Sangam, which will re-open as the Bradford Arts Centre in 2025, making use of the scaffold security hoarding. We are grateful to Kala Sangam/ Bradford Arts Centre for working with us. The Cathedral has had to make no financial contribution to the display which we hope will be of great interest to visitors. The display will remain in situ until mid-2025.

**CHILDREN'S SPACE** Today there will be no Children's Space. The children will be joining the congregation for the International Harvest.

**RECYCLING WEEK** During the week of 14-20<sup>th</sup> October, we are all encouraged to consider what we recycle and what we send to landfill. As part of this campaign we are wanting to post encouragements via our social media channels. We're asking you to send us ([phil.lickley@bradfordcathedral.org](mailto:phil.lickley@bradfordcathedral.org)) photos of yourself recycling items. We're particularly keen to see items which most people won't know are able to be recycled. You may want to consider looking at our recycling point near the WWI window in the Cathedral for some ideas, e.g. spectacles, pens, ink cartridges.
