Weaving Stories

May - September 2025

During the UK City of Culture year we will be running three seasons of events, each under a different theme: Creativity Under Pressure (Jan - Apr); Weaving Stories (May - Sep); and Global Connections (Sep - Dec).

Weaving Stories

As part of our major project for City of Culture 2025, we will be helping people to explore the rich heritage of Bradford through the historic threads of the wool trade that go back to our foundations 1,400 years ago and bind our global city together. We will host demonstrations, offer tours around our many links with the wool trade and present art exhibitions on the theme of our woolen history.

To accompany this we will be placing a large loom in the Cathedral and inviting everyone to add a piece of wool to a large tapestry that will hang in the Cathedral after 2025. This legacy tapestry will represent the countless stories of people's connection to Bradford.

We invite you to immerse yourself in a season of creativity, heritage, and community. This summer's Weaving Stories programme offers a wealth of opportunities to explore, reflect, and participate in something truly special.

From the powerful visual storytelling of *The Knitting Pilgrim*, a unique blend of theatre, craft, and spirituality, to *Woven Lives*, a luminous artwork celebrating the rich cultural tapestry of our city, this season is packed with inspiring moments. Music lovers can experience the haunting beauty of *Echoes of Eternity*, an evening of choral and orchestral music, while those with a passion for craft can take part in *Crafting the Cathedral*: a hands-on exploration of textiles and tradition.

Alongside these highlights, our Wednesday@One Organ Recitals, guided heritage tours, and thought-provoking talks provide even more ways to engage with Bradford Cathedral as a place of beauty, history, and hospitality. We look forward to welcoming you, whether to add your own thread to the story or simply to enjoy the richness of what this season has to offer.

The Very Revd Andy Bowerman,
Dean of Bradford

Weaving Stories

📅 Monday 5th May - Monday 15th Sep
🕒 Usual Opening Hours 🆓 Free

Weaving stories is an exciting art and heritage project led by Bradford Cathedral as part of our contribution to the UK City of Culture 2025. It has been made possible with funding from the National Lottery Heritage Fund.

Through a loom installation in the Cathedral, we invite local communities to co-create a breathtaking new tapestry, weaving together the rich, shared stories of Bradford's wool trade - a heritage deeply embedded in the city's diverse, global communities. The loom will be accompanied by a special 'sound tapestry': a recorded collection of voices and stories.

This project is about more than preserving history; it's about bringing people together. By taking part, you will help safeguard an at-risk heritage craft, learn new skills, and build lasting connections with one of Bradford's most significant cultural spaces.

The completed tapestry will go on display in the Cathedral after a launch event on St. Blaise Day, Tuesday 3rd February 2026.

There will be an official launch on Saturday 10th May at 3pm

The Knitting Pilgrim

📅 Wednesday 7th May 🕒 7pm 🆓 £10

15 years of knitting. 90 pounds of yarn. One man's artistic and spiritual journey.

A one-man multidisciplinary show that combines personal storytelling, image projection, and three huge hand-knitted panels called 'Stitched Glass'.

Airedale Stitches: Our Bradford

📅 Monday 12th May - Friday 20th June
🕒 Usual opening hours 🆓 Free

Our starting point was thinking about what makes Bradford home for us. Our ideas were diverse, memories of growing up and working in the area, to the love of the landscape and the historical industrial heritage. These are represented in a variety of textile techniques.

There will be an official launch on Thursday 15th May at 2pm.

New Music Biennial

📅 Fri 6th and Sat 7th June 🆓 Free

New Music Biennial is a three-day festival celebrating the best new music across all genres from the country's most exciting composers – and in 2025, for the first time, it's coming to venues around Bradford. The Biennial will be taking over venues across the city centre, showcasing 20 pieces of new music.

Look out for more information about the artists performing in Bradford Cathedral.

Woven Lives

📅 Tue 8th July - Mon 1st September
🕒 Usual opening hours 🆓 Free

Woven lives is a beautiful and powerful artwork which talks of the lives and stories of the people of Bradford. The woven coloured glass and symbols, lit from within, show how light and dark times are all part of the story of community and connection.

Knit The Stripes

📅 Tue 1st July - Thu 28th August
🕒 Usual opening hours 🆓 Free

Come and see what happens when you mix Bradford's textile heritage with a vibrant creative community to produce a large-scale art installation, highlighting climate change trends in Yorkshire. Almost 3.5 million stitches have been knitted by volunteers into a 15m warming stripe display that charts our changing temperature from the 1850s to present.

Official launch: Sat 5th July at 4:30pm.

Crafting the Cathedral

📅 Friday 11th and Saturday 12th July
🕒 11am - 2pm 🆓 Free (Tours - £7)

In July, as part of our *Weaving Stories* project, funded by the National Lottery Heritage Fund, we are holding two days of free events, including hands-on experiences, which will appeal to crafting groups, crafters, general members of the public, and families.

Bradford 2025

We are a diverse and distinct place where people have come from around the world and stayed.
