Global Connections

September - December 2025

During the UK City of Culture year we are running three seasons of events, each under a different theme: Creativity Under Pressure (Jan - Apr); Weaving Stories (May - Sep); and Global Connections (Sep - Dec).

Global Connections

Welcome to our final season as part of Bradford's landmark year as UK City of Culture 2025. We are closing the year with a spirit of celebration, reflection and radical hospitality to the world as part of our theme: *Global Connections*.

Here at Bradford Cathedral, we are committed to weaving Jesus into the rich fabric of the city and beyond. For us that means meeting people across traditions, cultures and experiences, and journeying together into an encounter with him.

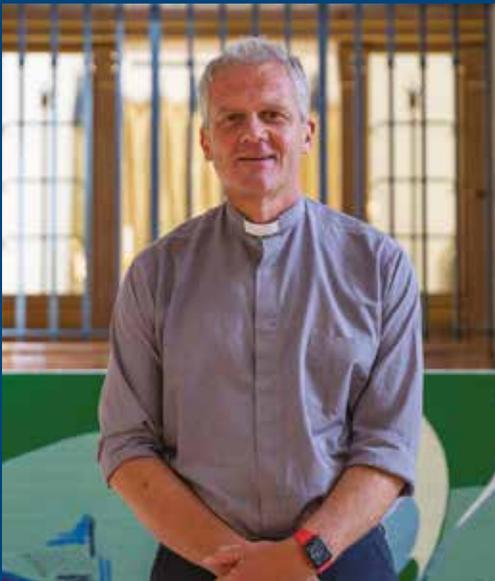

Towards something deeper, more just, and more transcendent. Our autumn season reflects this vision with an exciting programme that speaks to our local distinctiveness and our international friendships, our rooted Christian identity and our open-hearted curiosity.

Whether you are stepping into sacred stillness at a service, joining a thought-provoking conversation, or being lifted by live music beneath soaring arches, we invite you to discover a place where creativity, stories and global friendships come alive.

This is your Cathedral. A place where ancient stones meet present voices. A place of encounter, imagination and prayer. Wherever you're from, whatever your background, you are welcome here.

The Very Revd Andy Bowerman,
Dean of Bradford
